Personal Info.

- The Facebook user **Personal** Freedom Advocate was live approximately 2.5 hours ago. The CIG has flagged the following key points from the video:
 - Indicates that he is at Coventry. (Possibly refers to 302 Coventry Rd)
 - States that he has "boots on the ground" downtown Ottawa, but has asked them to leave in order to regroup.
 - Claims that everyone is being pepper sprayed downtown.
 - States that he has to go to a few places in order to get "information."
 - States that he will be off for a few hours; has to drive to these places as they are potentially not close.
 - Is cautious about not putting information to the public due to fears it could be overheard.
 - Is talking to someone about regrouping. Aware that Facebook videos are being watched.
 - States that the Liberal Party is the terrorists, the criminals, and should be removed.
 - States will appear with another update in a couple of hours.
 - States that majority of truckers are pulling out - going to some places. But can't say anything more.
